Competitive Events

Limits

The District Leadership Conference has limitations on the number of competitive events a member or chapter may enter and compete in.

Members

Limited to a maximum of four (4) competitive events in total, which may include:

- A maximum of two (2) entries in qualifying live Presentation/Performance events
- A maximum of four (4) non qualifying Objective Test only events

Chapters

- Limited to a maximum of two (2) entries per qualifying live presentation/performance event
- Unlimited entries in non qualifying objective test events
- Limited to one entry in the Battle of the Chapters competition

For a full detailed list of guidelines and policies relating to competitive events, advisers and members should review the Iowa FBLA Competitive Events webpage. The members' limits do not apply to the Battle of the Chapters competition.

Repeat Competitors

Members may compete in the same event at the district, state, and national levels more than once if they have not previously placed in the top 10 of that event at the National Leadership Conference. If a member places in the top 10 of an event at the National Leadership Conference, they are no longer eligible to compete in that event.

Qualifying Presentation Events

The top two (2) entries in each qualifying event from each District will advance to the State Leadership Conference. Any unfilled spots and at minimum three spots will be 'wild card' spots for students to advance to the state conference. For more information on the wild card process, please review the wild card section. Members will follow the National FBLA Guidelines and Preliminary Rating Sheets. The member's prejudged materials will be reviewed prior to and/or during their performance event. Events that start with 'Introduction to...' are open only to 9th and 10th grade student members. The District Leadership Conference Qualifying Presentation Events are

Competitors present directly from a laptop/device in the preliminary round. Screens and projectors are not allowed for use during preliminary round competition, and competitors are not allowed to bring their own. Power will not be available. Presentation events will be closed and not open to the public or general attendees to view.

Judge Debrief Sessions

Following the conclusion of a presentation event at the District Leadership Conference, the judges from the event will host a debrief session that is open to all event attendees. During the session, judges will share information on what they were looking for in project quality, presentation skills, critical thinking and problem-solving, and any other event highlights. Information on specific student performance is not shared. All students who participated in the event, as well as those who may

consider the event in a future year and wish to learn more, are encouraged to participate along with their advisers.

Online Objective Tests

Online objective tests will be taken prior to the District Leadership Conference at each local high school. This allows student members who are interested in competing at the district level to enter into a competitive event but not be required to attend the actual event on the day-of if their schedule does not allow. Students competing in only objective tests are still able to attend the conference (though not required) and take advantage of the networking opportunities, educational content, and participate in workshops during the in-person conference. During the registration process, you'll be asked if the student member is attending the in-person conference to assist in reducing food waste.

Online Testing Window & Time

- January 1-7, 2024
- 7:00 AM - 7:00 PM CT during testing window

All objective tests are non-qualifying events or 'straight-to-state' events. Any member competing in a non-qualifying objective test event will be eligible to advance to the State Leadership Conference if desired. Members in the top four (4) will be recognized during the District Leadership Conference's Awards of Excellence Ceremony.

Objective Tests are taken via an online testing platform. Information about the online testing events will be sent to advisers after the close of registration. Please ensure computers with internet access are available during this window for members to test. Testing at the district level is NOT proctored and students can take the test outside of school time. The testing platform is set up with many fail safes to reduce cheating and uphold testing integrity. Please remind students of the honor code and penalties associated with cheating in competitive events.

Members will complete the test on their individual devices. All tests will be completed individually. For team tests, the scores will be averaged after all competitors have completed the test individually. Events that start with 'Introduction to...' are open only to 9th and 10th grade student members. Only the objective test will be completed at the District Leadership Conference for the following events.

Wildcard Advancement Process

The wildcard advancement process creates both a fair and equitable advancement process from the district to the state level in qualifying events. At the conclusion of the final district conference, Iowa FBLA will compile all scores for each competition from all six districts and use standard deviation to normalize the scores.

Upon completion of normalizing the scores, Iowa FBLA will provide wildcard seats to the highest scores that did not qualify at the district level. Annually, there will be at least three wildcard seats per competition. More wildcard seats may be issued if a district doesn't have the maximum number of qualifying seats to advance to the state level. The total number of entries advancing to the state level will not exceed 15 entries in qualifying events.

Conference Activities

General Sessions

At a minimum, each district has two general sessions that include an opening session and a closing session called the Awards of Excellence Ceremony. The dress code for general sessions is the

National FBLA Dress Code. Please note, that each district may choose to have additional general sessions including keynote speeches, speakers, etc.

Lunch

Lunch will be provided during the conference. Each district site may have different food options. Please indicate any dietary restrictions during registration.

Workshops and Activities

For each district site, the State Officers will organize educational workshops and/or activities including community service for the members while the competition results are processed.

Battle of the Chapters Competition

A Battle of the Chapters competition will be hosted at the district conference. For each district site, a Battle of the Chapters relay competition will take place. The Battle of the Chapters competition registration will be entered into Blue Panda. Each school may submit one team for this competition. The Battle of the Chapters competition is open to any in-person member attending the district conference and does not count toward the member event limit.

Volunteering & Event Management

Local advisers are asked to assist at the District Leadership Conference by volunteering to serve as event administrators or timekeepers. Advisers who volunteer during the conference receive a discounted registration fee. Advisers wishing not to participate as a volunteer are charged the regular conference registration rate. Volunteering is a great way to see competitive events behind the scenes to help better prepare students for the future. In addition, volunteering assists in lowering overall costs for district conferences and helping the district adviser secure fewer external volunteers.

State Leadership Conference

Competitors who participate in the qualifying presentation events and who place in the top two (2) of the district, will need to be registered in the event for the State Leadership Conference, if desired. If one of the top two (2) individual(s)/team(s) choose(s) not to compete at the State Leadership Conference, the vacant seat will be provided as a wild card seat.

Competitors who participated in objective tests may choose to compete in that specific event at the State Leadership Conference or may choose a different event.
