#### *Elections Committee*

The candidate guidelines and elections process are overseen by an Elections Committee that is appointed by the Board of Directors. The committee consists of Board members, state advisers, local advisers, alumni, and the current high school and collegiate national parliamentarians.

The role of the Elections Committee is to establish and provide oversight on policies and procedures that support the annual election of National Officers by division. In addition, committee members support the National Center staff in conducting the elections by reviewing applications, establishing guidelines for campaign materials, and ensuring compliance with all policies and procedures by candidates, local chapters, and state affiliates.

### Qualifications for National Office

Only active members are eligible to hold national office. Only those applicants who are present at the National Leadership Conference and officially certified by the Officer Screening Committee shall be eligible for nomination. To be considered for an office in FBLA, a candidate shall:

- Have at least one full year remaining in their business program.
- Hold or have held an office in their local or state chapter.

- File an official application with the association president and chief executive officer.

# 2024 NLC REGISTRATION GUIDE

Orlando, Florida: June 29 – July 2, 2024

In reference to bylaws statements on the eligibility item of a candidate holding or having held an elective office at the state, regional, or local level, the official interpretation is that an appointed officer position such as an appointed parliamentarian would not meet the eligibility standard; however, a member appointed (due to a resignation, lack of applicants during the election period, etc.) to a position that is an “elective” one would meet the eligibility standard. Also, the elective office must have been in the same division of the organization (High School or Collegiate) for which the member is applying.

## Voting Procedures

National Officer elections will take place over a 24-hour period from 12:00 PM ET on the third day of the NLC to 12:00 PM ET on the last day of the conference. All voting will be conducted online.

Candidates are elected using ranked voting.\* A majority vote is required for election. Candidates for national office are not disqualified from assuming the roles of state or local voting delegates. No two National Officers may be elected from the same state chapter.

The Office of National Parliamentarian is an appointed position. According to the national bylaws, the candidate earning the highest score on the Parliamentary Procedures written exam at the NLC will be appointed to the Office of National Parliamentarian. Although not elected, this candidate must have filed a National Officer Application and participated in the interview

process. Each state may submit one (1) candidate for National Parliamentarian.

[Here](#) is the candidate guide.

Voting delegates are responsible for electing the National Officers who will serve FBLA for the 2024–25 program year.

## Housing Policy

### Housing Requirement

## Justification Letter Template

Edit the justification letter template below. Update the areas that are specific to your chapter's needs to share with your administration.

Dear **[SUPERVISOR NAME]**,

I am interested in bringing student members from **[CHAPTER NAME]** to Future Business Leaders of America, Inc.'s National Leadership Conference. I would like to get your approval to attend this event in **Orlando, FL** from **[June 24-27, 2024 or June 29-July 2, 2024]**. Registration is open from March 1-May 7, 2024.

FBLA's National Leadership Conference is the culminating experience for students who have spent their membership year immersed in leadership development, academic competitions, educational programs, and chapter engagement.

This conference is an opportunity for students to participate in motivational general sessions, train with professional leaders to further their business skills, expand their career plans through workshops, network with individuals from across the globe, explore the Expo Hall full of college admissions and military recruiters, and prove that they are the best in the nation amongst states and territories in their competitive event.

I am also excited to attend the professional development opportunities designed for CTE teachers to explore new trends in the field and share best practices. I believe that attending this event will allow both myself and the students that accompany me to grow both personally and professionally, develop leadership skills, and gain new perspectives.

For your convenience, I have included a breakdown of how much it will cost for me and my students to attend. **[\*Remove if parents covering costs.]**

- Registration Fee: **[\$220 per member or \$125 per adviser/chaperone x # of attendees]**
- Airfare/Travel: **[INSERT COST]**
- Hotel: **[INSERT COST]**
- Additional Expenses: **[INSERT COSTS]**
- Approximate Total: **[CALCULATE TOTAL COST]**

To ensure this experience benefits the entire chapter, the students in attendance will deliver a presentation for those unable to attend sharing what they learned. They will also create an action plan that incorporates the tools, resources, and strategies they have discovered so the chapter can start using them right away.

To learn more about the conference, visit <https://www.fbla.org/national-leadership-conference/>

Thank you for taking the time to review this request, and I look forward to speaking with you about this opportunity. Please feel free to reach out to me with any questions or concerns I can address.

Sincerely, **[YOUR NAME]**
